Holiday Sketch Event Nov. 29, 2020

Our Time is partnering with Sketchbook Skool, an online art school featuring workshops and events designed to unlock and unleash creativity. This special community building sketch event is for Sketchbook Skool's Spark students. Participants will respond creatively to holiday music performed by Our Time Wind Quintet. We are thrilled about this partnership as we love to collaborate creatively across diverse art forms. Follow us on Facebook and Instagram to see the artwork created from this event and stay tuned to see our music featured on Sketchbook Skool's holiday videos!

Our Time's Holiday Tunes

ON OUR YOUTUBE CHANNEL

Being apart doesn't stop us from celebrating this holiday season! As we welcome winter, join us in the festivities and watch our series of videos featuring duos, trios, and quintets of holiday tunes. Equipped with Christmas sweaters and decorations of all kinds, we are making music and holiday fun with warm candles, delicious cookies, wild dance moves, and several flutes - yes, you read that right! (Disclaimer: no actual flutes were damaged in the shooting of the videos.)

Videos will be uploaded on every Thursday of December. Go to Our Time's YouTube channel to watch. To get notifications of new uploads, subscribe to our YouTube channel and click the bell to turn on notifications.

Happy Holidays from Our Time Wind Quintet!
